Editorial

This month has been a proud and rewarding one for GSIMR. We celebrate the prestigious appointment of our **Hon'ble Chairman, Justice P. P. Naolekar (Retd.)**, as the Chairperson of the High-Level Committee on Demographic Changes in India. GSIMR proudly orchestrated a grand Open Mega Job Fair, an initiative that served as a beacon of professional opportunity, bridging the aspirations of talented students and emerging professionals with the dynamic landscape of industry. Further gilding this chapter of achievement, a distinguished cohort of our scholars secured prestigious internships and placements with esteemed organizations —reflecting their talent, dedication, and industry readiness.

As we applaud these achievements, we look forward to continuing our journey of excellence, opportunity, and impact.

GSIMR CELEBRATES A PROUD MOMENT

**Hon'ble Chairman,
Justice P.P.Naolekar**

The entire GSIMR family takes immense pride in congratulating our **Hon'ble Chairman, Justice P. P. Naolekar (Retd.)**, on his prestigious appointment as the Chairperson of the High-Level Committee on Demographic Changes in India. We are especially delighted to share that in the previous edition of Visionary Voices, GSIMR had the privilege of publishing an inspiring message from Justice Naolekar.

The newly constituted High-Level Committee on Demographic Changes in India has been entrusted with examining the evolving demographic patterns across the country and their long-term implications on economic growth, employment, education, healthcare, urbanization, social welfare, and public policy.

VOICES OF VISIONARY

At GSIMR, we must evolve past theory. Our focus is on a radical shift to skill-based education, moving from passive learning to active mastery. There should be hands-on environments where students build, innovate, and apply their knowledge. This is how we forge true leaders for tomorrow's world, equipped not just with degrees, but with the hands-on competence and pioneering spirit to solve complex challenges and advance society.

Together, let us build a stronger and more skilled society.
